SUBJECT: REVENUES

The estimated revenues for each school year shall be projected in the annual budget detailing the following categories:

- a) State aid, including specified state aid for BOCES programs;
- b) Revenues from BOCES other than state aid;
- c) Tuition from other Districts and individual students;
- d) Refunds of various kinds, rentals, interest on temporary investments, sales of school supplies, refunds of custodial salaries from organizations using District buildings;
- e) Various registration fees;
- f) Unpaid taxes from previous school year;
- g) Interest, penalties and fees on taxes;
- h) Real estate taxes to be levied;
- i) Appropriated cash balance from previous school year.

Education Law Sections 1604(a) and 1723(a)
