SUBJECT: MENTORING PROGRAMS FOR FIRST-YEAR TEACHERS

Effective February 2, 2004, all new teachers in the School District/BOCES holding an initial certificate will complete a mentored teaching experience within their first year of employment as a teacher. Also effective February 2, 2004, the District/BOCES will incorporate the design and planning of such mentored experiences for all first-year teachers in its employ into the District/BOCES Professional Development Plan.

The purpose of the mentoring program is to provide support for new teachers in order to ease the transition from teacher preparation to practice, thereby increasing the retention of teachers, while increasing the skills of new teachers in order to improve student achievement in accordance with the New York State learning standards. The Professional Development Plan shall describe how the District/BOCES will provide a mentoring program for teachers who must participate in a mentoring program to meet the teaching experience requirement for the professional certificate as prescribed by Commissioner's Regulations.

The mentoring program shall be developed and implemented consistent with any collective bargaining obligation required by Article 14 of the Civil Service Law (i.e., the Taylor Law); however, the Commissioner's Regulation does not impose a collective bargaining obligation that is not required by the Taylor Law.

In accordance with Commissioner's Regulations, the Professional Development Plan shall describe the following elements of the mentoring program:

- a) The procedure for selecting mentors, which shall be published and made available to staff of the District/BOCES and, upon request, to members of the public;
- b) The role of mentors, which shall include but not be limited to providing guidance and support to the new teacher;
- c) The preparation of mentors, which may include but shall not be limited to the study of the theory of adult learning, the theory of teacher development, the elements of the mentoring relationship, peer coaching techniques, and time management methodology;
- d) Types of mentoring activities, which may include but shall not be limited to modeling instruction for the new teacher, observing instruction, instructional planning with the new teacher, peer coaching, team teaching, and orienting the new teacher to the school culture; and
- e) Time allotted for mentoring, which may include but shall not be limited to scheduling common planning sessions; releasing the mentor and the new teacher from a portion of their instructional and/or non-instructional duties; and providing time for mentoring during

Exemptions to above Mentoring Requirements

Pursuant to Commissioner's Regulations, teachers holding initial certificates who have two (2) or more prior years of teaching experience do not need to be provided a mentored experience as enumerated in this policy.

Recordkeeping Requirements
