SUBJECT: EXCUSES AND ABSENCES

Attendance Verification

The Board of Education believes that reasonable efforts should be made to verify that students who are absent from school are absent with proper excuse and the full knowledge and approval of their parent or guardian. To ensure that this occurs, the Superintendent will develop administrative procedures for each school that will require reasonable efforts be made to contact the absent student's parent or guardian on the first day of every absence and periodically thereafter if an absence exceeds three days in duration.
