**SUBJECT: PRESCHOOL PROGRAMS**

The Board of Education will provide a preschool program designed to serve eligible four-year-olds. The purpose of such a program will be to create a happy, productive, and successful school experience for young children to prepare them for elementary school in a positive manner and to involve parents in this process.

Preschool programs will be included in the planning and development of the regular kindergarten school curriculum. The District will also adhere to all present and future regulations set forth by the New York State Education Department.
